

Online Library

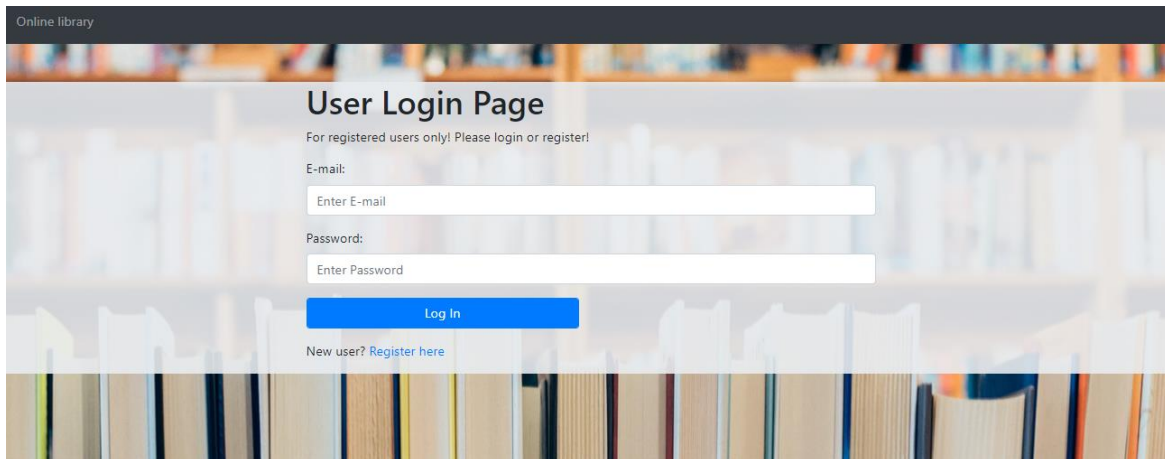

User guide

Functionality

Online Library is a web application allows users to make book reservations. Online reservation service is available only for registered users.

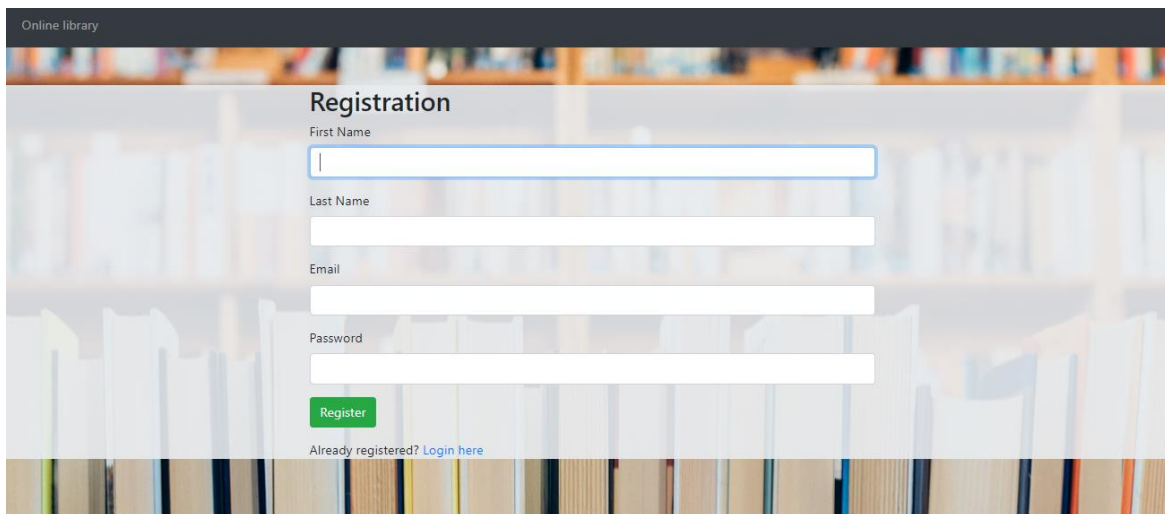

New account can be created by clicking 'Register here' on the main page:

The screenshot shows the 'User Login Page' of an 'Online library' application. The page has a dark header with the text 'Online library'. Below the header is a blurred background image of bookshelves. The main content area is white and contains the following elements: a title 'User Login Page', a subtitle 'For registered users only! Please login or register!', an 'E-mail:' label with a text input field containing the placeholder 'Enter E-mail', a 'Password:' label with a text input field containing the placeholder 'Enter Password', a blue 'Log In' button, and a link 'New user? Register here'.

Users must provide:

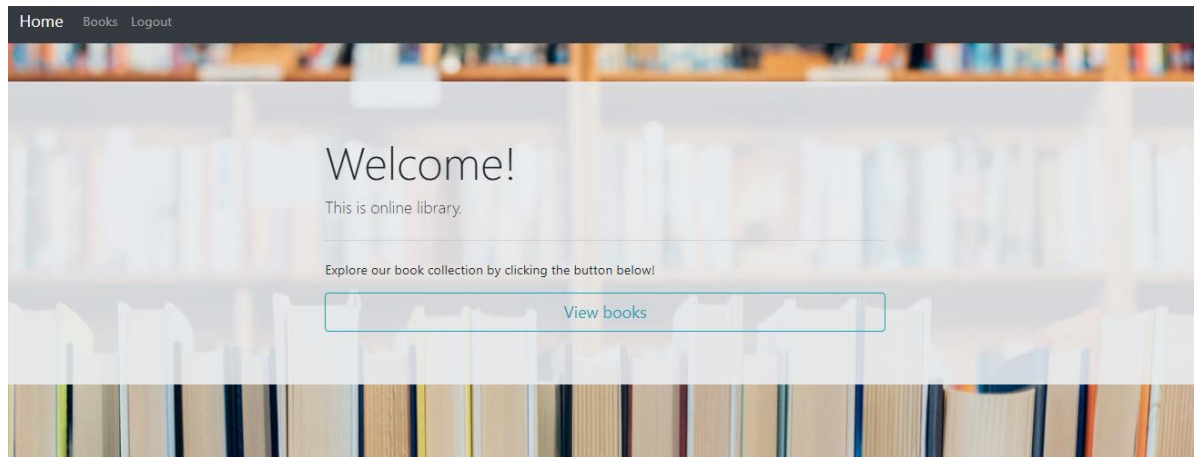

- First name
- Last name
- Valid e-mail address that will be used to send out book reservation confirmations
- Password (minimum 6 symbols)

The screenshot shows the 'Registration' page of the 'Online library' application. The page has a dark header with the text 'Online library'. Below the header is a blurred background image of bookshelves. The main content area is white and contains the following elements: a title 'Registration', a 'First Name' label with a text input field, a 'Last Name' label with a text input field, an 'Email' label with a text input field, a 'Password' label with a text input field, a green 'Register' button, and a link 'Already registered? Login here'.

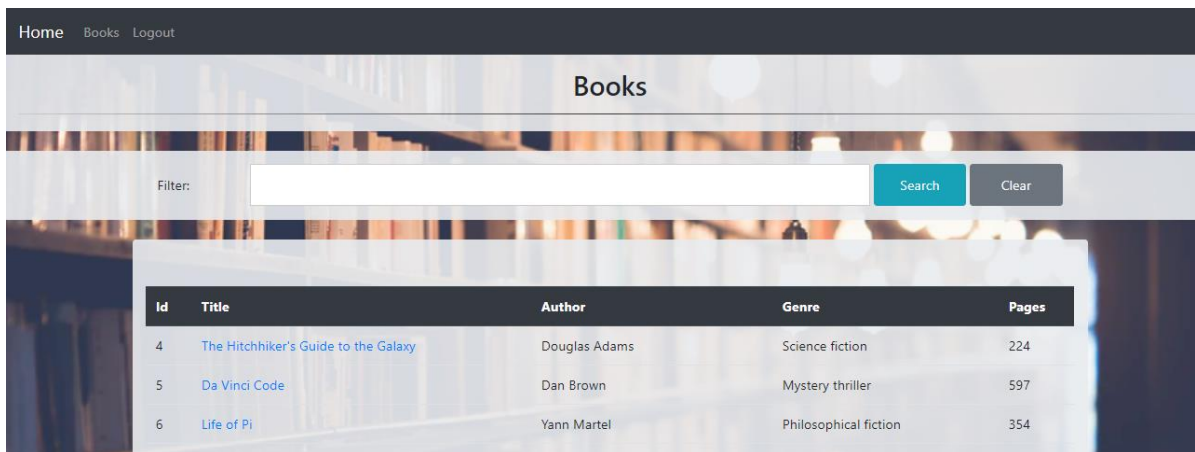

When registration is completed navigate back to login form by clicking 'Login here' or 'Home' shortcut on the left upper corner.

After successful logon Welcome screen will open and users can browse books list by clicking 'View books' button or 'Books' shortcut in the navigation bar.

User can filter books list by any of parameters (Title, Author, Genre, Description).

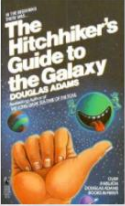

To see more information about each book, click on the book title.

Each book page shows additional details – description and quantity of books that are available for reservation.
